Autumn Meeting

22 - 24 November 2017
ExCel, London

The BGS Autumn meeting will cover the latest scientific research and the best clinical practice in care of older people. Our ageing population is stimulating extensive NHS service redesign to deal with the challenge of caring for larger numbers of older people both in and out of hospitals. This conference will cover core areas of interest to all specialists responsible for the health care of older people in the United Kingdom.

The meeting offers a multidisciplinary programme

Focus on
• Care Home Medicine
• Frailty and Sarcopenia

Sessions on
• Gastro Intestinal Disorders in older people
• Movement Disorders - Parkinson’s and Non Parkinson’s
• Depression
• Drugs and Prescribing
• Respiratory Issues in Older People
• Foot Disorders
• Pain in Older People
• Cardiac Disease and TAVI

Who should attend:

• Consultants and Professors of Geriatric Medicine
• Specialist Doctors
• Specialist Registrars (StRs) in Geriatric Medicine and related specialties
• Nurse Consultants, Nurse Specialists and Advanced Nurse Practitioners
• GPs and GP Trainees
• Physiotherapists, Occupational Therapists and Allied Health Professionals
• Researchers into ageing and age-related conditions
• Core Medical Trainees and Foundation Year Doctors
• Medical Students
